Pedal Power!

The Bike cottage is now officially up and running! The bikes can be used for the whole summer or short periods. Just a reminder that camp bikes should NOT be taken down the hill unless you intend to bring them back up the hill; we have lost some bikes that way, as people in the park can see the bikes and take them. If you have any problems with a camp bike, talk to Tom on Saturdays or Sundays at Hill 3, #13. Tom can also be contacted if you need repairs on your personal bikes. In addition to Tom, **Jacob Fromer** will also be helping out with bikes this year.

Pedal on!

What a Spectacle!

For those who missed the Fireworks display put on by Wagner and his family last Friday, you missed quite the show. Thank you to Wagner and family for treating us all to the fireworks, and let's hope this Canada Day tradition continues.
