Dear Friends,

We invite you and your family to join us as we continue the important tradition of celebrating Passover together as a community.

This year our Third Seyder is on May Day – the real Labour Day. We will honour all workers, past and present: those unionized and those in need of a union; precarious and migrant workers; the unemployed; refugees.

Most importantly, we want to have a conversation about the state we are in. There's been a change of personnel in Ottawa, but what does it mean for the present and for the future? Will this bring real change in our society?

Please join us for this important discussion, the Passover ceremony and the good food and let's plan the changes we want to see!

Together let us organize and pledge to work towards a better world

In Solidarity,
Julia Barnett, President
UJPO-Toronto & Morris Winchevsky School
